Dear Mr. Colton:

This will respond to your above-referenced Freedom of Information Act (FOIA) request submitted September 25, 2014, as clarified by your email dated October 6, 2014, seeking copies of the Feasibility Study Report for Operable Unit 4 (OU4) of the Cornell-Dubilier Electronics Superfund Site, and the National Remedy Review Board comments regarding OU4.

The document are being uploaded to FOIAonline simultaneously with this letter. This completes EPA's response to your FOIA request. There is no charge for this response.

Sincerely,

Sarah P. Flanagan
